Biography: Provide a brief biography of this hound. Limit 250 words. Biography written by: Susan Van de Water

Spitzer was conceived in the open field after his sire, Neechee, had won his course and done an amazing 180 over a bush. His dam, Demon, was known for her crazy ears and her lure intensity. Spitzer attended his first lure trial weekend at age 13 months; he was 2nd on the first day and 1st on the second day. He completed his FCh in only 5 days of running, and his LCM5 within 12 months of his first run. He accumulated 536 Bowen points in 2004, and 1204 lifetime Bowen points, putting him at #4 all time ASFA. Spitzer was very durable, never having a significant injury in all of his many runs. And he could run and run and run. He ran joyfully through obstacles, ran through bad weather, ran over rough ground, he didn't care, he loved the game. After a quiet retirement here at Borzoi del Sol, he passed away at age 13 1/2 on 11-30-15. Spitzer was a once in a lifetime dog.
