Biography: Provide a brief biography of this hound. Limit 250 words. Biography written by: Robert Jordan

We first met Utchati Kount Drakula Qamari and his owner Flo Prender at a field trial in region 8. Even though, at that time, our afghans were often in the ASFA top 10 we couldn't seem to beat him. We received a phone call one day from Flo saying she could no longer keep Drakula and could I help her find him a home. For the next six weeks or so we would stop and pick Drakula up and take him to the trials and look for a home for him. Finally, one day Linda came to me and said, Dean Wright said he would take him. I told her to thank Dean but that Drakula already had a home.

This time when we returned home without dropping him off Drakula found himself a most reluctant pack leader of our hounds. As we traveled around the country, strangers would greet us saying, "Oh, you have Drakula now!". We soon learned that Drakula had friends all over the country. He was a great representative for his breed and the sport of coursing. Running untold numbers of practices with novice hounds and serving as the control hound for certification runs. My most vivid memory of his coursing career was, in 1998, at the II in Kentucky where he found himself in a pink blanket standing between the previous year's number one Afghan and the Afghan that would become the current year's number 1. At age 10 I didn't think he had much of a chance running with a one year and a two-year-old bitch, both of whom were much faster than him. After the course, Drakula and I found a nice seat in the shade next to Peter Mendocino. A few minutes passed and I was no longer thinking about the course when a large group of cheering people came running to announce that the judges had put Drakula up by 1 point. Coursing to age 14 he is one of our most memorable hounds.
