President's Report

"TOGETHER WE ARE IMPROVING OUR ASFA" *May 2021*

2021 is coming back to normal for ASFA. Many more trials are being scheduled. Financially, ASFA weathered 2020. Despite the many canceled trials, ASFA's earnings exceeded our expectations and budget. ASFA just received two \$5000.00 donations. One was from Phil Fullam and the other from Dean Wright. Thank You to Phil for the generous contribution.

Going virtual with communications seemed like a bad thing just over a year ago, but it has opened up a whole new world of communication that is helping us to get things done.

We have used ASFA's GoToMeeting app for a two successful ACoDs. Our 2021 ACoD had 52 in attendance. We have also used it for our board meetings. And clubs have been using ASFA's GoToMeeting app for their club meetings as well. Please contact Cathy Sanderson if you would like to schedule our app for your club meeting.

The 2021 International Invitational, hosted by ICA, is coming up on May 15-16th at Antique Acres in Cedar Falls Iowa. The trial records at this II will be managed electronically for the first time. Thank you to Katie Kaltenborn, Greg Breitbach, Cathy Sanderson, Eddie Kominek, and many others who have helped put this system in place.

In addition, our IT Committee is working with Eddie Kominek to create a web based program for all ASFA trial records and an integrated new website.

On the Friday before the II ASFA will hold the first National Specialty for LCI dogs.

Highlights from the

ACoD

**Annual Convention of Delegates
March 20-21, 2021**

Note: These highlights are unofficial. The official minutes will be posted on the website.

For the second time in as many years, the March ACoD was held electronically. Thank you, Cathy Sanderson, for putting it all together for us on ASFA's GoToMeeting app. This year over 50 people attended the electronic ACoD, representing 41 clubs.

LCI

The LCI program is growing. The LCI rules from 2020 remain in effect. The final approval on the LCI program will be determined at the 2022 ACoD. The first LCI National Specialty will be held in conjunction with the 2021 II in Cedar Falls, Iowa on Friday May 14th.

TEAM COURSING

The Team Coursing experimental program remains in development by the Experimental Programs Committee. But implementation of the program is on

pause, due to complexities of record keeping, which will be worked out in the coming year.

IT COMMITTEE

Status update on the new records program The IT Committee recently approved Eddie Kominek's LCSoft program, which allows for random draws for ASFA field trials. This is the first software program that the committee has approved. If you know of any other trial software that the IT Committee should take a look at, please contact *Cathy Sanderson, Co-Chair*.

Several years ago, ASFA contracted with Paragon to create an online database. It has become apparent that Paragon cannot complete that job for us. In the meantime, the IT Committee has approached Eddie Kominek to provide an online records database linked to a re-designed ASFA website. The IT Committee does not want to place responsibility for creation or maintenance of the entire new system in the hands of a single person, so if you have programming or database experience, please contact Eddie Kominek or Cathy Sanderson.

ANNUAL ASFA AWARDS

Each year at the ACoD, ASFA announces its annual awards and honors. The 2020 awards and honors are listed below with additional information about the recipients throughout these pages as noted. ***Congratulations to all!!***

LEIGH LITTLETON AWARD

JOHN ARVIN

The Leigh Littleton Award is given to the judge that judges the most dogs in a given year. In 2020, the award went to John Arvin, who, even in the year of the pandemic, judged 486 dogs.

TOP TEN JUDGES

ASFA recognizes the Top Ten Judges. The 2020 Top Ten Judges are:

| # | Name of Judge | # of Dogs Judged |

| 1 | John Arvin | 486 |

LURE OPERATOR OF THE YEAR

The Lure Coursing Judging Association (LCJA) (pronounced “lock jaw”) is an informal organization that honors ASFA’s top lure operators annually. But, due to the disruption of the 2020 lure coursing season caused by COVID-19, LCJA was unable to award Lure Operator of the Year for 2020.

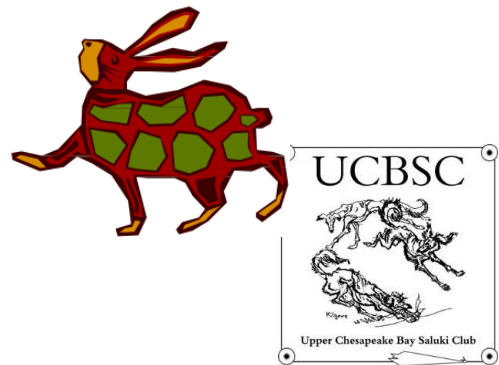

EXCELLENCE IN PERFORMANCE

ASFA’s Excellent Performance Award (EPA) recognizes those clubs that go the extra mile to provide the highest quality field trials. Elite Coursing Hounds of Ontario (ECHO), a new club in Canada, was selected by the ASFA Regional Directors for this year’s EPA Award.

ECHO overcame and persevered against unprecedented obstacles. Beyond the complications of the pandemic, the founding members of this club essentially had to start over from scratch with everything including equipment in May. Yet, they managed to successfully rebuild and were able to hold 5 trials in Canada in 2020, which by all reports were very well run. They actually hosted some of the larger ASFA trials this year despite the Canadian-US border being closed. Congratulations ECHO! We look forward to more great things from this club.

The RDs would also like to give Honorable Mention to the three Hanover Clubs – Chesapeake Bay Saluki Club, Tortoise & Hare Lure Coursers, and Mason-Dixon Ibizan Hound Club. These three clubs, working together, put on the first trials during the pandemic. They established the safety protocols for running safe trials in these unprecedented times. Their guidelines became the blueprint for running safe trials throughout ASFA. Thank you for your important work.

LURE COURSING HALL OF FAME *hounds*

The purpose of the ASFA Hall of Fame is to honor in perpetuity those hounds that have achieved outstanding performances or records in the sport of lure coursing. This fosters the continued remembrance of remarkable individual coursing careers and sets a high standard to help new hounds and owners achieve their goals. This year there are 4 hound Hall of Fame inductees.

LURE COURSING HALL OF FAME *persons*

The Hall of Fame also honors those persons who have donated a great part of their time and energy to improve and promote the sport of lure coursing for sighthounds. Since its inception, the sport of lure coursing has continually evolved. That evolution has taken place through the vision and energy of people who deserve to be honored for their efforts on behalf of the sport. It is to us to honor those individuals who have given their time and energy to make lure coursing what it is today. Their commitment serves as an inspiration to those who would, in turn, take the sport to greater heights.

JUDGE'S LICENSING

Summary of 3 Reports Covering February - April 2021

Information supplied by Greg Breitbach, Chair of Judges Licensing

This summary has been reformatted to combine 3 monthly reports. The information is current as of 4/25/2021.

See <https://www.asfa.org/judges/index.htm> for the original reports.

NOTES FROM JUDGES LICENSING

Important reminder

With the new year, the suspension of not judging in two years is no longer in effect. This means that all judges who were potentially losing their license last year and have not judged in the past three years are required this year to judge at least one trial to maintain their license. 2020 does not count for lack of assignments for any judge. (From 2-24 report).

Listing Judges as Lure Operator

Because listing as a lure operator on the judges list is considered personal information, anyone wanting to be listed as a lure operator has to contact me in person. I cannot accept third party information to place anyone on that list. (From 2-24 report).

Meeting Requirements

With more trials being scheduled this year, it should be easier for individuals who have not been active the past three years to obtain assignments and meet the requirement of judging at least once every two years. (From 3-24 report)

Contact Information

If you are not receiving communications, please check the judge list that your contact information is correct. You cannot be asked to judge if people cannot communicate with you. (From 3-24 report).

Provisional Judges

Reminder that provisional judges may do more than four breeds with permission of the Regional Director. The Field Trial Secretary can obtain permission to use a provisional judge for more than four breeds by requesting permission from the RD and providing the information to the scheduling chair. This can assist individuals in areas where some scheduled breeds may not show up but other breeds the provisional may need does. (From 4-24 report).

NOTICES

- No one was granted a Provisional License or applied for a Regular License during the reporting period.

REC COMMITTEE REPORT

Rules Evaluation Committee—2021 ACoD

Marilyn Standerford, Chair

Members: Russ Jacobs, Ping Pirrung

Alternates: Elaine McMichael, Kathy Sanders

There was a lot of work by the REC Committee this past year in preparation for the 2021 ACoD. It is not only the specific rule proposals that are referred to the REC by the Board, but the research throughout the ASFA Running Rules and Field Procedures for Lure Field Trials to ensure that each rule does not contradict another rule or policy and does not cause other rule changes that have not been reviewed.

A huge THANK YOU goes out to the REC Committee members for their hard work and our “bantering” back and forth through e-mail to get our points across and to make the most understandable, well-written rule changes or offer a counterproposal with wording as we see appropriate. Not all our work is accepted by the ACoD. Sometimes it is sent back to REC for re-work because we missed the mark, or after reading how we proposed it, there is a new perspective shared.

This year, only one of our proposals was approved for implementation into the ASFA Running Rules and will go into effect on **August 1, 2021**.

Chapter IV, Section 5. Course Plans. #3

When using a continuous-loop system, mid-course reversals are not permissible.

Report of Records Coordinator

Lori Coulson

2020 was extremely difficult for everyone. ASFA was no exception. Our Records Coordinator Lori Coulson has put together data that shows how ASFA fared in 2020, compared with previous years. Included below are tables that provide an overview through 2020 of ASFA clubs, trials, entries by region, & entries by breed. She has also provided us with tables that show titles earned in 2020 by breed, including veteran, & LCI titles.

Animal Advisory Report

submitted by **Vickie Jacobs**
ASFA Legislation Committee Chair,
AKC Legislative Liaison

I want to thank everyone who takes action against legislation alerts sent to you by your Regional Director. If you are not receiving notifications let your Regional Director know you are interested in receiving them. Sometimes we need to step up to stop bad laws from going into effect. Below is an example of how you – and people like you – can help defeat legislation that is not in the best interest of dog owners and breeders.

April 27, 2021

<https://www.akc.org/legislative-alerts/california-victory-ab-702-pulled-committee-agenda/>

AKC has been notified that California Assembly Bill 702, which would have regulated all breeders in the state, will be pulled from today's committee hearing agenda and not be considered this year. As such, we no longer need clubs and hobbyists to make phone calls during today's meeting.

AKC extends a huge thanks to all the club members, federations, and breeders who took the time to contact the author's office and committee members over the past several weeks. Your efforts made a tremendous difference for dogs and responsible AKC breeders!

AKC Government Relations staff had numerous meetings and communications with the author's office, committee members, and key staff members. Your phone calls and letters supported these efforts and demonstrated that AB 702 was not a good solution for California.

We also thank the California Animal Welfare Association, NAIA, sportsmen groups, and many others who also worked to advocate for a better solution for California.

AKC looks forward to working with California lawmakers, shelters, clubs, and other stakeholders to develop reasonable, effective solutions that will truly benefit animals in the state.

We will continue to provide updates on California legislative issues. For questions or more information, contact AKC Government Relations at doglaw@akc.org.

ASFA Convention Planner

Report submitted by **Vickie Jacobs**

I am the convention planner for the Board and Conventions for ASFA. For the last two years the Board and Annual Convention of Delegates (ACoD) have had virtual conventions. We lost out on seeing people and being with friends from all over the United States and Canada.

Next year we are going to be able to get together at the Hyatt House Sterling, Dulles Airport. Rooms will be \$94.00 a night. Go to their website and see what an awesome hotel it is.

<https://www.hyatt.com/en-US/hotel/virginia/hyatt-house-sterling-dulles-airport-north/iadxd>

We will meet for the ACoD on March 19-20th, 2022. There will be a hospitality night sponsored by Region 8 on Friday Night.

Planning even further ahead, the board is now voting on a site for the 2023 ACoD. It may be in Kansas City, Tulsa or Milwaukee. I will let you know the details at the next convention.

Afghan Hound SUMMER

El Zagel Summer at Cameo
MBIF, LCM 3, GRC, JOR, DT
Owned by Connie Sullivan
& Deann Britton

Summer has 2 BOB wins from ASFA IIs, 4 BOB wins from Grand Nationals, 2 BIF wins from regular trials, and placed in the ASFA Top Twenty for 8 years. She has a LGRA title in straight racing and a NOTRA title in oval track racing.

She was born on July 16, 2002 and bred by Bonnie Schulz. Summer was nominated by CLCA (Colorado Lure Coursing Association).

In July of 2002 I called my friend, Bonnie Schulz, who had just had a litter of Afghan puppies and told her that if she had one that she thought she could part with that I would love to have her. Bonnie chose a cute little cream girl for me, and that is the story of how Summer came to live with me.

Summer was an adorable, easy going puppy. She traveled with me to many lure trials and adjusted well. She ran a couple of puppy runs like a pro, was certified at one year of age and ran in her first trial at 13 months, taking BOB over 3 other dogs. From then on there was no stopping her. She loved to chase the bunnies!

Her coursing career spanned over 9 years. She was a multi BIF winner. She competed in five ASFA IIs, taking BOB twice. She ran in seven Grand Nationals, taking BOB 4 times. She placed in the ASFA Top Twenty for 8 years in a row! 2010 was an especially good year when 4 of Summer's puppies took the first 4 placements in the ASFA Top 20 and Summer took #6. Summer was also a strong competitor in LGRA and NOTRA racing and loved to give those jack rabbits a good scare when free coursing.

One of the most amazing things about Summer was her ability to pass along her great coursing genes to her puppies. She was bred only once to her soulmate, Ghost, who was an accomplished coursing and racing Afghan himself. They produced 6 great running puppies who all obtained titles in lure coursing. Three from the litter are in the ASFA Lifetime Top Twenty, two achieved the #1 Afghan Hound in ASFA. Also, from this litter are multi BIF winners, multiple LCM's, VFCH and VLCM's, Minnesota Cup Winner, AKC FCH, and multiple racing titlists.

I feel blessed to have shared my life with Summer for 13 years and will be forever grateful to her breeder, Bonnie Schulz. - *Connie Sullivan*

Charlie (like his dam Chromium) broke and set new records on the lure coursing field for Borzoi. Charlie was known for his great enthusiasm on the coursing field, but he was best known for his sliding flips at the finish as he came in to grab the lure in his "death" lockjaw grip. It would take three people to get him off the lure; two people to catch and hold him while Leilani would try to get him to release the lure. Charlie died tragically of hemorrhagic enteritis, leaving Leilani heart-broken, as Charlie had been her life for ten years.

He was born on his famous dam's birthday, November 7th. When his dam Chromium died, Leilani volunteered to feed and take care of the five orphan puppies. She fell in love with "Charlie" and asked to be allowed to keep him. A better home could never have been found, for Leilani loved and pampered him and traveled and competed with Charlie everywhere. There will never be another "CHARLIE". – **Diana Darling**

Whippet OREO

FC WGASA OREO DUBLE STUF
LCM 12 VLCM 4

Owned by Nancy Ewing, Don Ewing
Breeder: Cindy Van Vliet / Hamilton
born 31 March 2004

In the 8 years that Oreo coursed, he was always in the Top Twenty for Whippets.

- 2005 #12
- 2006 #9
- 2007 ending #2
- 2008 #1
- 2009 #2
- 2010 #5 (his off-springs started competing)
- 2011 #18 and
- 2012 #18

Most people called him "O". No matter how far we traveled, people would recognize him. And stated how thrilled they were for their dog to run with him. This is the greatest compliment we could ever receive. Coursing was a game for O. He would let us close to him before he would grab the line, and we could not get him off the line with his death grip. He gave us so many great memories. I smile each time I see the memories that show up on Facebook. He made my life complete.

Oreo sired the ASFA 2014 & 2015 # 1 Whippet - All Breed hound (Scone and Scooter). Also

he sired:

2010 #2 & #3 Hydrox & Chipper
2011 #3 & #4 Hydrox & Chipper
2012 #2 & #3 Chipper & Hydrox

Sloughi O'Dah

IABCA IntCH & Hnr-B Ch, AKC Ch O'Dah Shi'Rayan, FCh, ORC, SGRC5
Owned
by Bernd Fritzsch

O'Dah was born June 1, 2004 by Ch. Bi-Na Mahanajim, SGRC out of Ch. Ibitsama Shi'Rayan, FCh, ORC, GRC. Bred by Dr M-D Crapon de Caprona, owned by Dr Bernd Fritzsch. O'Dah's grandfathers are both country of origin Sloughis, one from Libya, the other from Tunisia. On his sire's side he descends from a line of talented racing German Sloughis through his paternal grandmother. He is also a nephew of l'Saar, a grandson of Bouthayna, and great grandson of Aswad Shi'Rayan, all three previous Nubia Cup winners.

O'Dah is the second Sloughi (after his great grand-sire Aswad Shi'Rayan) to be awarded top awards in shows as well as titles in all 3 major sighthound sports, lure-coursing, oval and sprint racing. His biggest title is SGRC 5 in straight racing. O'Dah is #12 in the ASFA lifetime top 20 for Sloughis. O'Dah is # 21 for all breeds lifetime for LGRA.

Last, but not least, O'Dah was shown at AKC dog shows in 2018. He completed his AKC championship at the age of 14 years and 5 months, something that we were told is unheard of. He finished with 4 majors and wins against much younger dogs. O'Dah finished 2018 as the #2 Sloughi in AKC conformation. Gentle and dignified O'Dah, loved a cuddle or a hug and was laid back in daily life. He has descendants in Finland, Germany and the USA

Gary Forrester Achievement Award

Katie Kaltenborn

Submitted by Dawn Gibas

The Gary Forrester Award is meant to honor a person that carries forward the philosophy, dedication, and joy of ASFA Lure Coursing. I believe Katie Kaltenborn has done that for close to 40 years. Katie was one of the early adopters of lure coursing. She

competed early on with her Borzoi and most recently with her Greyhounds. Many of her dogs have been top-ranked hounds.

Katie is a longtime judge. She became an all-breed licensed judge in 1987. She is one of the premier judges in the ASFA and has mentored many that have become judges or just wanted to understand what judges are looking at on the field. Katie has also served as the ASFA Judges Licensing Chair.

Her involvement with the sport does not end there. Katie is a phenomenal Field Trial Secretary (FTS). She has been the FTS at numerous big events, including ASFA IIs. She has also mentored up-and-coming people who are now FTSs themselves. Katie has agreed to be the FTS for our next two ASFA IIs in 2021 and 2022. Many of us know what a huge and time-consuming job that is! She is also the voice behind moving the ASFA FTS job to computer-based scoring and draws to facilitate faster turn-around of results for the next two IIs.

Katie has played an important role in local coursing club events. She was a central person with the Bluegrass Coursing Club and GANG when Les and Shirri were with us. Katie travels with her dogs and has been a voice for promoting the sport of lure coursing across the country. She even judged in Alaska a few years ago.

Katie has friends far and wide in the lure coursing world. In addition to spending time with seasoned coursing folks at field trials, Katie seeks out the newcomers. She makes them feel welcome and mentors them. This is important because the newcomers and younger people will keep this sport alive. They are the future.

Katie's almost 40 years in ASFA Lure Coursing has had an impact on the sport to the extent that it would not have been the same without her. I do not know a person more deserving of this award both in longevity in the sport, and for her dedication, support, and unwavering love for lure coursing. If Katie doesn't emulate Gary Forrester and uphold his legacy in the sport of lure coursing, I don't know who does.

GARY ROUSH

Gary Roush is the Hall of Fame Individual Inductee for 2020. He was nominated by Region 8.

Positions Held in ASFA: President, First Vice President & Chief Financial Officer and all breed judge

Positions Held in Other Lure Coursing or Dog Clubs: Field Trial Chair, Lure Operator, Open Field Coursing Judge. He was also active in the Saluki Club of America.

Gary was a Charter Member of the Colorado Lure Coursing Association (CLCA), which was the first ASFA club outside of California. CLCA held the first lure trial outside of California in 1973. Gary was one of the prime movers in the creation of the Colorado

Grand National. Gary served as Co-Field Trial Chairman for the Grand National in 1978, 1979, 1980, 1981, 1982, 1987, and 1988.

1975 was a very political period for allowing multi-sighthound breed clubs to become member clubs of ASFA. Gary was in the forefront of this expansion despite there being a strong movement to keep only AKC parent clubs as members of and control ASFA.

In the 1980's Gary moved to the Williamsburg, VA area where he stayed active in ASFA lure coursing, joining the Sight Hound Organization of Tidewater (SHOT). He often served as field trial chair, lure operator and judge for SHOT. Gary continued to accept judging assignments throughout the country.

Gary has served on the ASFA Board in the following positions:

- 1978 1st VICE PRESIDENT (first time on Board)
- 1980 PRESIDENT
- 1982 PRESIDENT
- 1986 FIRST VICE PRESIDENT

Gary also served four terms in the early 2000's as Chief Financial Officer (CFO). He alternated with Jeff Lipps as ASFA's CFO for 16 years.

During ACoDs Gary would often preface his thoughts or reports with detailed stories of his Mother. It felt as though his Mother was an active participant in ASFA. At every ACoD we always looked forward to his (facetious) motion to eliminate the rule which does not allow drinking until after a trial is over. His subtle sense of humour always brought levity at the right moment during some arduous ACoDs.

Region 8 feels that Gary deserves to be inducted into the ASFA Hall of Fame in the year 2021.
