MAKING THE FTS' LIFE BEARABLE

And yours too, in the process

These are some things to consider when completing and sending in your entries which will be most helpful to the FTS and make the job a little easier. Thanks!

*Originally written by Ping Pirrung and now
being used by Katie Kaltenborn for 2022
with a few updates to the process..*

An easy online entry and reservation portal is available for use for this event at the following URL: <http://fieldtrialentry.com>. You can do all your entries, make reservations for many things and more, Exhibitors are strongly encouraged to take advantage of this simple system that makes it easy to pay for everything with your credit card or paypal account. It also slashes the data entering effort for the FTS and the catalog preparer.

If you prefer to process your entries and reservations via snail mail please follow these guidelines carefully:

- ** Be aware of the closing date! EVERYTHING is due on or before October 7, 2022. Please check and make sure that you have included all applicable forms with a check made out the ASFA/GUNC for the total.
- ** Please write clearly – the accuracy of information in the catalog depends on being able to correctly spell your hound's name and your name.
- ** Please include your phone number and e-mail address in case there are questions. E-mail is preferable.
- ** If you are using preprinted entries for your dogs, double check that all the necessary information is included such as stake, sex etc. Be sure that the top of the entry form has the following:
44th ASFA International Invitational
The date (Saturday, October 22, 2022 or Sunday October 23, 2022)
- ** If your dog has multiple titles, please put a comma between each title so that it can be put into the catalog accurately.
- ** Be sure your entries are signed.
- ** For Kennel & Breeder stakes, it is much easier if the regular entries for all the dogs entered in kennel or breeder stakes are included in the same envelope. For example, you want to enter breeder stake and a different person owns one of the dogs you want to enter, if you could co-ordinate your entries to be sent in together that would be ideal. Be sure to include the applicable payment of \$10 per each Kennel or Breeder Stake.

** For the Gillette stake, please attach the proof of Championship to the Gillette Stake entry form and be sure they qualify for ALL of the requirements. They are listed at the top of the Gillette stake entry form.

** For the Bench Stake be sure to check the appropriate box on the entry form AND fill out the form and include a copy of the hound's Championship certificate with the entry. Be sure to add the \$10 fee with your entry.

** When you put your entries in the envelope, please take a moment to tear or cut the entry forms apart so they are separate; it is very time consuming for the FTS to have to cut or tear apart entries. (Often when entry forms are left on one sheet one entry's information tends to be over-written onto another.)

** Put all the entries for Saturday together and then the ones for Sunday in the order of Open, F.Ch. then Veteran for each day.

** Check your entries again to be sure all the information is accurate and complete, especially if you are completing them at the last minute. **All entry forms must be 5½" X 8½"**.

** If you do send your entries overnight, please be sure it does NOT require a signature. You'll need to check the box on the address label for no signature required. Please do NOT send entries by CERTIFIED MAIL as this does require a signature. Entries sent via mail that requires a signature will not be accepted.

** Plan to send your entries in well before the deadline so they can be checked and if there are questions, they can be taken care of. You can well imagine the huge amount of entries that would have to be processed if everyone mailed the week before the closing.

** Use the worksheet to help figure the total amount of your check. Please use the worksheet even if you are only sending in an entry for one dog. The worksheets are used as a quick reference for questions.

** If you want to confirm receipt of your entry, please enclose a stamped, self-addressed envelope or post card that can be dropped in the mail. Please do not e-mail me asking if an entry has been received.

** Please note that if you need to change the stake of your entry it would be greatly appreciated if you could notify me before the trial, preferably by Monday, May 10, 2021.

** If you need to substitute for a lame or in season hound, I need to be notified no later than Monday, October 17, 2022. There will be no substitutions on the day of the trial.

If you have any questions please contact me, the more we can take care of before the weekend, the easier it will be. My e-mail address is katie.kaltenborn@gmail.com or phone 859-533-1722 before 8 PM (remember I'm in the Eastern time zone). It's easier to contact me via email and you'll most likely get a quicker response that way. I really appreciate your making the extra effort to help. See you in October!!
