Sunday Night's 8th Annual Chili Cook-Off!

Where: Kominek House, 123 Glendale Rd.

Cost: Free!

Time: Sunday, ~6:00 PM

Menu: MANY CHILIS

Dessert: (probably more chili, we'll see)

Drinks: Cerveza, vino and margaritas ;}

Come join us with your best chili recipe! Make a pot, bring up to the house and have everyone try your hopefully prize-winning chili and get a taste of everyone else's! We'll all pick our favorite three chilis by ballot and the results will be tabulated. Prizes for the top three master chef's chilis. Caliente levels are up to you! This will be a "blind" tasting so nobody knows who entered each chili. If you enter a pot of chili, please list what is in your chili (just the ingredients not the recipe, I know they are secret as is mine 😊) so we can avoid any potential risk to everyone tasting. Provide bowls and spoons for your entry and whatever condiments/on like crackers, Fritos, shredded cheese, sour cream. If you have any questions feel free to reach out to Jerry Slattery.

For First Time Coursers and Handlers

- **WHAT ARE PRE-ENTRIES?** - Entries made before the closing date. If your entry is mailed in time yet due to the failure of the postal service it is not received in time for the Test Secretary to have it at the Event, then you will have to fill out day of entry forms on the day of the trial. Always have your dog's registration materials with you when you go to a test.
- **WHAT ARE "DAY OF" ENTRIES?** - Entries accepted after the closing date for pre-entries are considered Day of Entries. The deadline for Pre-entries is typically two days before the event. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the morning of the test, which delays the start of the trial. If you are entering on the day of the test, you MUST have your completed entry to the Test Secretary BEFORE Roll Call.
- **SLIP LEADS** - There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure and they run without anything around their necks that could be dangerous. SLIP LEADS WILL BE PROVIDED
- **INSPECTION** - Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.
- **ROLL CALL** - The time, prior to the commencement of coursing, by which you are supposed to have your dog ready for inspection by the Inspection Committee. At roll call the dog is examined for lameness, and breed disqualifications (where applicable). Unspayed bitches are examined to see if they show any evidence of being in season. After roll call the list of passed hounds is taken to the Field Test Secretary so that the run order can be prepared.
- **RUN ORDER LIST** - This is a posted list of the running order for the dogs participating in the event. Always check the record sheet after the Roll Call to confirm your dog's Run Order.

Dirty Santa Rules!

1. Bring a gift-wrapped present worth at least \$25. Naughty gifts are fun, but make sure it's something someone would want to be seen stealing and taking home!
2. Everyone will walk away with a gift at the end of the day if they've brought one. We'll have a few buy-in gifts for people who missed the memo for \$25 so they can participate, but those are extremely limited.
3. Numbers equal to the number of players will be drawn from a hat to determine participant order.
4. Players in order will have the opportunity to either unwrap a present under the tree or steal an already unwrapped present currently held by another person.
5. Players may not wear, drink, consumer or otherwise use a present until the end of the game. **NO TASTING!**
6. When a present is stolen from someone, that person may either unwrap a present or steal from someone else, but may not steal back from the person who stole from them.
7. Each present may only be stolen a maximum of three (3) times before they are considered "unstealable" and retired.
8. Once the person with the last number has gone, the player with number one (1) will have the opportunity to steal if they so choose.
9. After the game, if players would like to swap gifts, that is up to them. :)
